HINTS ON FASHIONS

— BY LISBETH —

Ensemble of bracelet, brooch and clips made of catalin and simulating Viennese stag horn.

Not the least important and delightful of the season's fashions is the current trend in jewelry. You can embellish your dress, suit or even your housecoat or beach ensemble, with the gayest, danglest, and most fascinating costume jewelry imaginable.

Back in great grandmother's day huge brooches were worn, and they have come back. You are in luck if you have an old one. These large old brooches are matched with massive necklaces, bracelets, clips, buckles, etc. Even "ruined" women are wearing large and garishly colored pieces.

An interesting old European custom of hunters was dividing the stag horn so that each participant in the hunt would have a trophy. This was done by slicing the horn, allowing the rough exterior to remain unfinished, and carving delicate figures symbolical of the hunt in the white centre of the horn.

Interesting Vogue
Among the interesting fashion accessories seen this season, was new costume jewelry simulating these Viennese stag horns.

The ensemble shown consists of bracelet, brooch and clips, all using the old Viennese custom as their inspiration. These replicas are made of plastic material called catalin.

They are pictured here worn by a fair rider, and attracted attention at the hunt.

The new lapel jewelry is the very latest thing in that line to attract the eye—and the pocketbook. The bigger the better is the slogan for the pieces that decorate the lapel of your new spring suit. There is horse-head clip done in gold and rhinestones; a parakeet with real feather tail; birds, beasts and fishes, even a Victorian hand holding a rhinestone rose.

"CAPPY" DINES OUT

I learned a few tricks in canine table manners the other night as I sat in the restaurant and watched "Captain", yes indeed, the four-month-old Irish Terrier, proudly owned by "Dad" and Mrs. Farrell, as he sat up to the table, employing the very best of manners, that would put a lot of us humans to shame. There he sat with his napkin neatly tucked in at his collar, and his two fore paws placed on the edge of the table, daintily picking away at his food. And his diet by no means consists of "scraps", but some of the very best items appearing on the menu.

He consumed his soup and soda biscuits, followed with minced steak, with never a traceable breach of etiquette, and how he did enjoy it! I must admit, however, that he did lick off his plate when he finished, but when we have something especially good, are we not tempted to do likewise?

After he had cleaned up his plate, he looked around at us, as much as to say, "Is there any reason why I should ever have to eat on the floor, the same as my brothers?" And believe me, if all canines had the same fine manners as "Cappy" displayed, I don't believe I can find one reason why they shouldn't receive some of the privileges we humans do.

"Cappy" has many other tricks which makes him a real companion to his master and mistress.

SALLY'S SALLIES

Many girls behave like hitlers with men and cats with women.

MY WINTER GARDEN
A snowstorm has covered my garden, It began in the gloaming last night; All the maples' bare twigs, And the spruces' green sprigs, Now are covered with nature's flake white. All the leaves that remain on the rose-tree, And those on the lilac that stayed, And the bare stiff stocks, too, On which sweet flowers grew, Are all fluffily frilled and arrayed. And the snow lies all over the lawn grass, Like a downy mat covers a floor, And the sun's glistening rays, In their dances and plays, Create diamonds like some Koh-i-noor.

It's a two-color scheme that no artist, Could equal with paint, brush or mahl, For his palette would fail, In the technique detail, And his hand on the shadows would stall. Only Nature could paint such a picture, Working silently all through the night, Dropping flakes the dark hours, Where the fresh fragrant flowers, Only recently bloomed all so bright. But the sun soon will lift the snow blanket, And return it again in warm rain; When the spring days are here, And the skies are all clear, Then my flowers will come back again. —Ralph Gordon.

Delivered at factory, Oshawa, Ontario. Government tax, freight and license extra. Convenient terms may be arranged through the General Motors Installment Plan.

THE best Chevrolet in history
1938! Compare... and let your own eyes prove it. Look at that beautifully rounded new radiator grille. See how those modern lines are repeated in the new hood louvers—emphasized by the sleek, low streamline of the roof.

Glance inside. Here are wider seats! Wider doors! Attractive new upholstery! Extra inches of room! Flat, unobstructed floors! Fisher No-Draft Ventilation! And remember, these bodies

are of All-Silent, All-Steel construction—so safe, so soothingly free from vibration, "tinniness" and drumming. Check on all the exclusive features Chevrolet brings you. Learn what owners themselves say about economy... "Up to 27 miles to the gallon of gas!"... "Never add a drop of oil!"... "Lowest upkeep costs in motoring!" Then drive the car itself, and you'll not only agree it's the best Chevrolet in history... you'll never be satisfied with less than a Chevrolet for your money!

The WOMAN'S LOOKOUT

By CLAIRE BURNS

A BIT OF THIS AND THAT

HEIRLOOMS—
Where are the antiques and the heirlooms of the future to come from. Smaller houses are being built with very little room for storage. All through the country large houses are being divided into apartments with no place to keep unused things. Did you ever think that you yourself, own things that your grandchildren or your grand nieces, or even your cousins, will love to possess, because they are old? It is not always the most expensive article that is most treasured in after years. If you haven't much room, keep a box or trunk and pack away some of the things which have gone out of fashion or of which you have tired and keep them for the coming generations. Maybe they will think them quaint!

MEASURING THE CHILDREN—
One family has adopted a novel plan of recording their children's growth. They have a strip of tracing linen tacked on the wall in the den and every six months they mark the height of the children and mark underneath the date and the child's name. It is most interesting to compare the varying rate of growth. At some periods there is a steady climb and at others one child will grow inches while others show a small increase. Age has considerable to do with this. Girls usually grow most rapidly between eleven and thirteen, whereas the boys grow most from fourteen to sixteen. This is not always so but is the average.

AGE OF ELECTRICITY—
If all the mechanical and electrical devices in a modern house were gathered in one room, it would resemble a machine shop, especially if the working parts were exposed: furnace, refrigerator, radio, phonograph, washing machine, water-softerner, sun lamp, plumbing, meters, thermostat, gas or electric stove, incinerator, dishwasher, shower bath, vacuum cleaner electric fan, air-conditioning equipment, hot-water heater, and all the lesser gadgets like telephones and toasters. Maybe the wife of the future should be trained as an engineer.

LADIES' MAIDS OUT—
The zipper vogue, along with the economics of the world, has played hob with the calling of lady's maid. The tedious problem of dealing with hooks and eyes and buttons is now accomplished with a quick swish of the wrist. Even the elaborate evening gowns that required so much maid service are now zipperized. An expert lady's maid was one of the most highly specialized callings, usually held by trained French or German girls. Many of them got as high as \$125 a month and their keep. To-day the Job Wanted columns are filled with their pleas for work.

In the days when the theatre was the theatre, the lady's maid to a great star lived in the grand manner. She was the buffer between star and public. Tips were hefty. Also, the maid travelled from city to city, often in private coach, and resided in the royal suites of magnificent hotels. Lily Langtry's maid, Gwendolyn, became almost as famous as her mistress. She was Titian haired, of the voluptuous Lillian Russell type, and was followed across the country by two of New York's reigning beaux of that era. I recall leaning against a post across from the Casino so long to watch her leave the stage exit one evening that a cop nudged me to move on. That was the time I told him, walking away fast, that I was a free born American citizen and had my rights, so I had.

BRIGHTENING A ROOM—
To obtain balance in a room or brighten a dark corner, make a looking glass window as a background for a dressing table. This serves the double purpose of utility and decoration. Hang unframed glass the same size as the other windows in the room in the desired place. A glass curtain valance could conceal indirect lighting. Draperies to match the others in the room may be hung on either side of the glass.

SWEET PICKLED PRUNES—
Four pounds prunes, four and one-half cups sugar, two cups vinegar, one-half ounce ginger root, one-half ounce whole cloves, one-fourth stick cinnamon. Wash the prunes, then soak them in cold water 30 minutes. Bring prunes to a boil in this water, and then drain. While draining cook together the vinegar, sugar and spices and let boil for 15 minutes. Add the prunes and let them simmer in this syrup until tender. Cool, then pack into sterilized jars. Seal and store in a cool place to use as needed. Excellent with beef and fowl.

RAISIN CHUTNEY— One box seedless raisins, one pound brown sugar, one teaspoon salt, one teaspoon dry mustard, one teaspoon ground ginger, three medium sized onions chopped fine; two cups water. Chop the raisins, then put all the ingredients in a heavy kettle and boil 20 minutes. Stir frequently to prevent burning. Remove from the stove, and stir ingredients until they are well mashed. Cool, then seal in sterilized jars. Serve with meats, or mix small amounts with mayonnaise for a novel salad dressing.

LONG TASK OF DRYING OUT ICE-ENGULFED HYDRO PLANT

Though immediate danger of destruction is believed past for the Niagara power houses of the Ontario Hydro Commission, just below the Canadian falls and at Queenston, Ont., since the ice jam which wrecked the International bridge is expected to move out slowly, mechanics and engineers face many months' work before the upper plant, which was engulfed with water and ice, begins in operation. One mechanic is shown here at work amongst the giant generators starting the task of cleaning and drying them into renewed production. Note the huge chunks of ice still piled over the costly machinery. The plant built low in the Niagara gorge, was virtually buried in a mountain of ice which backed up behind the main jam.

SOCIAL and PERSONAL

Roland Robertson is a visitor to Buffalo.

Mrs. W. W. Groce is visiting at London this week.

Mr. and Mrs. Wm. Warnop of Polyet, visited with James and Mrs. Gowland last week.

Miss Isabel Reid of Beamsville was the weekend guest of Miss Virginia Hewson, Nelles Blvd.

Mrs. Bertram W. Graham returned last week from a six weeks' holiday spent in Florida, and Atlanta, Ga.

Mr. Wallace Bromley, Jr., returned to his home in Kincardine, on Saturday after spending the past week in Grimsby.

Mr. and Mrs. E. Bernardo were in Rochester, N.Y., on Wednesday of last week, attending the funeral of the former's aunt, Mrs. A. Newman.

Mrs. S. P. Williams, who has been spending the winter months in Toronto, was a visitor to Grimsby the past week, before leaving to spend a month at Baldu, Manitoba.

Miss Marjorie McPherson of New York City, who has been spending several weeks with her parents, Mr. and Mrs. K. McPherson, Gibson Ave., returned this week, and was accompanied by her sister, Miss Kathleen McPherson, who will spend the next two weeks with her.

Mr. Hugh Liddle of Kirkland Lake, son of Mr. and Mrs. Thomas Liddle, Grimsby, recently paid tribute in one of his regular weekly radio broadcasts, to his mother, who was visiting there at the time, when he sang the ever popular song, "That Wonderful Mother of Mine."

Rev. Isaac M. Moyer, Park Road, left last week for New York from where he sailed on the liner Saturnia on Friday for a two month Mediterranean cruise with a Christian Herald party. The 16,000-mile trip will afford him an opportunity to visit the Madeira Islands, Venice, Rome, Athens, Malta, Rhodes, Egypt and the Holy Land.

Mr. W. Page is in Ottawa this week on business.

Mrs. Ethel Thompson was the weekend guest of Mr. and Mrs. F. E. Thompson, at Windsor.

Mrs. R. Cook, of Port Loring, is a visitor at the home of her daughter, Mrs. E. Bernardo, Ontario St., for two weeks.

Miss Phyllis Dunham spent a few days in Kingston last week, and on Friday evening was among the guests at the Science Formal held at Queen's University.

Mrs. Douglas Scott, Oak Street, who has been a patient in Hamilton General Hospital for the past two weeks, was able to return to her home on Friday last, and is reported favourably improved.

At the close of Thursday evening's presentation of the school play, "Collegiana" in the High School Auditorium last week, the students and many citizens, remained to enjoy a few hours of dancing.

Mr. Jack Edgcombe, assisted by Mr. Bert Jarvis, had charge of the Valentine's Party held in Trinity Hall on Monday evening, under the auspices of the Young People's Union of Trinity United Church. The evening was spent in discussing plans for the society, and a program of games was much enjoyed. The evening concluded with the serving of refreshments.

Miss Edith Elliott, of the fruit commission branch, Ottawa, gave an illustrated lecture on Canning, Preserving and Pickling Fruits and Vegetables in the high school auditorium Tuesday afternoon. In order that members of the local Women's Institute might attend with the agricultural short course members, the regular monthly meeting of the institute was postponed to the 23rd.

Grimsby Chapter, No. 195, Order of the Eastern Star, held a successful Bingo party in a Masonic Hall on Tuesday evening. Many lovely prizes were received by the lucky winners during the twenty-five games which were played, arrangements being in charge of Miss Alda VanMere and her committee. Miss Margaret I. Farrell, was the recipient of the special deer prize. At the close of play Mrs. J. H. Culp and her committee served refreshments.

YOUR SUCCESS

Business success is not the result of luck; it is the result of right training, coupled with natural ability.

Increase your chances by securing the proper training. Write for our catalogue.

PARK BUSINESS COLLEGE
72 James St. N., Hamilton, Ont.

Mrs. R. R. Smith is a visitor to Buffalo.

Mrs. Myrtle Watt of St. Catharines, was the weekend guest of Mr. and Mrs. Fred Schwab, Bolton St.

Mr. and Mrs. E. Bernardo were in Toronto on Friday last to attend the funeral of the latter's uncle, Mr. Cowden.

His many friends will be pleased to learn that the condition of Mr. J. G. McIntosh, who is confined to his home for some time, is reported as showing gradual improvement.

The members of the Three Months' Course and their friends enjoyed a delightful dance and social evening in the auditorium of Grimsby High School on Wednesday evening, to the music of Shinton's orchestra. A decorative scheme of red hearts and streamers made a most attractive setting.

Mrs. Hamilton Fleming and Mrs. Isabel Fleming Mantle entertained about sixty friends at a delightful luncheon at their home on Thursday of last week in honour of their guest, Mrs. Upham, who has been visiting here for several months, prior to her departure today (Thursday) on a trip to Texas and Mexico.

Mrs. M. W. Zimmerman, Main Highway West, opened her home on Wednesday afternoon to the ladies of the Woman's Association of Trinity United Church, for a delightful Valentine Tea and social afternoon. Over fifty ladies were present and were received by Mrs. Zimmerman, assisted by the president of the organization, Mrs. T. Hunter and Mrs. R. B. Ferrie. The tea table, attractive with Valentine favours, was presided over by Mrs. Addison, convener of the refreshments committee, assisted by Mrs. C. W. Boyer, Mrs. E. J. Way, Mrs. E. E. Farewell, Mrs. H. Bull and Mrs. E. U. Patterson.

OPEN BRIDGE

An open bridge will be held under the auspices of Lincoln Loyalist Chapter, L.O.E., on Monday afternoon, February 21st, in the Chapter Room, at 245. Mrs. Leslie Farrell and Mrs. Harold Headlip will be the hostesses for the afternoon.

ST. VALENTINE'S PARTY A SUCCESS

The Ladies' Aid of St. John's Presbyterian Church held a very successful Valentine supper and social evening on Monday of this week. The tables, which were laid in the Sunday School room, were attractively arranged with red hearts and tall red tapers, and during the supper hour Mr. John Ryan contributed several pleasing piano selections.

A few enjoyable games of croquet followed, there being 14 tables in play. Mrs. William Sangster received the prize for ladies' high score and Mrs. Barrick, the ladies' consolation. For the gent's, Rev. I. B. Kaine received the prize for the high score and Mr. Lamonte, the consolation prize.

Miss a pedigree though he is "Teddy", the intelligent canine shown here can claim the title of world's richest dog, for he is worth exactly \$10,000. The money was left to "Teddy" by his late mistress, Mrs. Hattie Fletcher, San Diego, Calif., to insure that her pet was cared for properly all his life.

MRS. LECKIE OPENS HOME TO L.O.E.

More than forty ladies attended the Valentine Tea given by the Daughters of the Empire on Monday afternoon of this week at the home of Mrs. Neil M. Leckie on Kerman avenue. The guests were welcomed by Mrs. Leckie and Mrs. Wolfenden, Regent of the Chapter, and a short programme was directed by Dr. Leckie. One item was an Acrostic "St. Valentine's Day" contest to be solved from details of the pictures on the walls, and the prize was gained by Mrs. Hutchison. Dr. Leckie gave an address on the topic of the amours of Queen Elizabeth, this subject seeming appropriate on a Valentine's Day. As a link with the time of the great Elizabeth the ladies were shown a fine old copy of the Geneva Bible printed in London nine years prior to the death of Elizabeth in 1603.

The afternoon was very happily spent, and a considerable sum was raised for the benevolent fund of the Chapter. Mrs. Lum and Mrs. Murray Beamer graciously assisted at the tea-table, which was decorated with roses and candles and Valentine favours.

PROBABLE COST

(Continued from page 1)

The reason for eight foot trench on the south side of the C.N.R. and only five feet on the north side is caused by the fall of the ground. There is a difference of two feet in the elevation between the north and south sides.

It is estimated that a sewer pipe from 18 inches to 24 inches in diameter would be of a sufficient size to carry all the water, even with the houses on Robinson and John streets and the canning factory and other factories in that district hooked on.

Estimated cost of the work is \$5,400 for an 18 inch sewer; \$6,000 for a 21 inch and \$7,500 for 24 inch. The sewer line would be about 1500 feet in length, 400 feet on Robinson and 1100 feet along the highway.

If this work is gone ahead with the trenching and pipe laying will have to be finished before paving operations are commenced on the highway.

Some members of the council were inclined to doubt the feasibility of taking the surface and storm water off the new highway owing to the amount of sand and small crushed stone used for manding the highway, which has a tendency to collect in the pipes and also cause the basin of the disposal plant to fill up considerably faster than it would ordinarily do.

Reeve MacPherson — I think we should have Mr. Ure look over the sewer situation on Clark street from Robinson street west to Elizabeth street and Ontario street from the C.N.R. track to Lake street.

Mr. Ure will prepare levels and estimates on above streets at once. Councillor Chivers — I would suggest that Mr. Ure also give us an estimate of cost of sewers south from Clark on Robinson to John street and also on John street. The estimates already in do not call for this work.

Councillor Bull — I would also have an estimate made on Robinson from Main to John, all estimates to include materials. Councillor Lewis — I cannot see the object of getting estimates on all these sewers as we will not be able to carry out the building of these sewers. He pointed out that the Livingston avenue sewer cost \$52,000.

Chivers — I believe there is going to be developments in that district and if there are we will be ready to meet the situation. We might as well have all the work done at the one time.

If you can live past the babyhood stage there isn't much danger of being killed by kindness.

The Golden Text

Mark 3:35—"For whosoever will do the will of God, the same is my brother."

Choosing Companions in Service

PREVIEW ON THE SUNDAY SCHOOL LESSON

By DR. ALVIN E. BELL

(The International Uniform Lesson on the above topic for Feb. 20 is Mark 3:13-35; the Golden Text being Mark 3:35, "For whosoever will do the will of God, the same is my brother.")

THE UGLY shadow of the cross falls clearly across the path of Jesus in the midst of his popular ministry in Galilee as his enemies, the Pharisees, confer with the Herodians on "how they might destroy him." From this opposition "Jesus with his disciples withdrew to the sea; and a great multitude from Galilee followed."

Jesus' Popularity

Great throngs of people gathered about him from every direction, from Judea and Idumea on the south, from beyond Jordan to the east, from Galilee to the north, and even from Tyre and Sidon on the Mediterranean sea to the west, "hearing what great things he did," they "came unto him." He even had to take precaution of having his disciples arrange "that a little boat should wait on him because of the crowd, lest they should crush him. For he healed many; insomuch that as many as had plagues pressed upon him that they might touch him."

Choosing the Twelve

Both this increasing popularity and the increasing opposition led Jesus to choose from his followers an inner circle whom he designated "apostles," who might carry on his work after his enemies should succeed in crucifying him. Luke tells us that this choice of the twelve was preceded by an entire night in prayer: "He went out into the mountains to pray; and he continued all night in prayer to God. And when it was day he called his disciples; and he chose from them, twelve, whom he also named apostles." Mark adds the significant note which indicates our Lord's purpose in this appointment, viz., "He appointed twelve, that they might be with him, and that he might send them forth." This order of events is vitally important. Jesus communed with God in prayer through the night; then he came to men and made his choice from them. For those he chooses he prescribes the same order. They are first to "be with him" before he "might send them forth." Com-

munion must precede conquest; fellowship must beget fruitfulness and experience prepare the way for expression. Christ's order is always "Come and see," then, "Go and tell." We defeat ourselves when we set out upon his work without first equipping ourselves for it by communion with him. His companions in service must first be companions before they can be servants.

The Making of the Twelve

When Jesus chose the twelve he challenged them to high achievement with the promise, "Follow me and I will make you to become." And he truly made them to become all they did become. He found them unknown, he made them well known through the ages. He found them poor, he made them carvers of all subsequent centuries. He found them ordinary men; he made them extraordinary.

Kinship With Jesus

So zealously did Jesus give himself to his passion to bless humanity through his teaching and healing ministry that his own family said, "He is beside himself." And they came to restrain his enthusiasm and take him home with them. When Jesus learned of their presence and purpose he said, "Who is my mother and my brethren?" We emphasize the ties of blood by saying, "Blood is thicker than water." But Jesus puts the ties of faith above those of blood, as, pointing to his disciples he said, "Behold my mother and brethren! For whosoever shall do the will of God, the same is my brother, and sister and mother."

TRINITY S. S. ANNUAL SUPPER

The teachers and officers of Trinity United Sunday School entertained the pupils of the school at their annual supper, in Trinity Hall on Tuesday evening, when one hundred and fifteen sat down at 6:30 to the heavily-laden tables. Several of the mothers were also in attendance to lend a hand in the catering, their services being much appreciated.

A short program followed, including piano solo by Miss Joan Eaton, vocal solo by Miss Glenna Farrell and a humorous story, told by Rev. R. B. Ferris.

Trinity United Church

Rev. R. B. Ferris, Minister.

Sunday, February 20th—11 a.m.—Rev. Geo. A. Little, D.D., of Toronto, will preach. Junior Congregation. 2:30 p.m.—Sunday School and Bible Class.

7 p.m.—Young People's Service. Speaker, Rev. Dr. Little. Special music by the choir and soloists. Fireside Hour at the Manor following the evening service.

Monday, 8 p.m.—Young People's Union.

Wednesday, 7:30 p.m.—Troll Ringers. Tuesday and Thursday evenings, Badminton Club.

St. John's Presbyterian

Minister, Rev. I. B. Kain.

Sunday, February 20th—11 a.m.—Morning service, "Keeping Our Eyes on Jesus." 2:30 p.m.—Sunday School. 7:00 p.m.—Evening service, "An Old Testament Beauty Contest." Monday, 8 p.m.—Westminster Club.

Wednesday, 7:30 p.m.—Mid-week service. First Wednesday of each month—Mildred Bouter Young Women's Auxiliary.

First Thursday of each month—Ladies' Aid.

Second Thursday—Women's Missionary Society.

Grimsby Baptist Church

The services at the Baptist Church will be conducted at 11 a.m. and 7 p.m. by the Rev. Dr. Leckie, the Sunday School being held before the morning service and the Young People's Society before that of the evening.

Dr. Leckie will also conduct the prayer-meeting at eight o'clock on Wednesday evening.

Mr. Merritt has begun his work in his new charge in Norwich, Ontario, and it will be a tribute to his useful activities here during the last seven years, if all members and adherents of this congregation lend their aid in continuing to make this church an important factor in the spiritual life of Grimsby and the neighbourhood.

CROQUINOLE PARTY

The Ladies' Aid of Grimsby Baptist Church held a most successful croquinole party on Monday evening at the home of Mr. and Mrs. J. S. Eason, Main Highway West, when close to fifty members of the congregation were present. Eleven tables were in play, and at the close of the evening the convenor of refreshments, Mrs. C. Burgess, and her committee served lunch, the tables being prettily arranged with Valentine decorations.

CONGREGATION IS ENTERTAINED

A large number of the members of St. Andrew's Anglican Church enjoyed a delightful social evening on Monday of this week in the Parish Hall, when the Women's Auxiliary of the church were hostesses to the congregation.

The rector, Rev. J. A. Ballard, gave a most appreciative address as did also Rev. Neil M. Leckie. Members of the A.Y.P.A. also contributed to the program, and Mr. Burgin, the church organist, gave several selections on the piano.

At the close of the evening the ladies served delicious refreshments, the tables being attractive with Valentine decorations, after which the young people enjoyed an hour of dancing.

W. J. Aikens Left Estate of \$400,000

Legacies Left to Churches and Rectors in Dunnville, Cayuga, Port Maitland and Vineland.

The will of the late William J. Aikens, been probated at the St. land, has surrogate court office. Catharines left an estate of total Mr. Aikens \$487,391.71 cash, property, value and bonds, the bulk of which stocks to relatives. The securities is left to be converted into cash to are to gages. The executors are met, Justice W. T. Henderson, William J. Aikens and William J. Ham E.

Aikens, his legacies are to the following churches: Rector and war- lowing John's Episcopal church, Cayuga, \$2,000, and \$300 for South of burial plot. upkeep Paul's church, Dunnville, St. Port Maitland Anglican \$1,000; \$1,000, and \$500 for up- church, Dougter burial plot. keep of and wardens, St. John's church, Vineland, \$2,000.

BEACH H. & S. CLUB

The Grimsby Beach Home and the Club held their monthly school in the Park School on Fri- moor with a good number attend- ing.

Mrs. N. Cole, the president, opened the meeting with the singing of a hymn, followed by a short prayer. Mrs. C. Tweney read the passage from the scripture.

A musical program was con- tributed by the school children, after which the guest speaker, Rev. Neil M. Leckie, gave a most interesting address on "The Correct Way to Lead and Speak," concluding his talk with an appropriate poem by Shakespeare.

During the business session, it was decided to hold a card party on Monday evening, the 21st inst., at 8:30, when it is hoped as many as possible will attend.

ST. ANDREW'S A.Y.P.A.

Miss Florence Lalng's group had cham- of the athletic meeting of St. Andrew's A.Y.P.A., held in the Parish Hall on Wednesday evening, when the program consisted of games and exercises. Refreshments, served by the committee, concluded a most enjoyable evening.

VALENTINE BIRTHDAY TEA

The Women's Missionary Society of Trinity United Church held their annual birthday meeting and tea on Thursday of last week at Trinity Hall. Friends of the Society attended in goodly numbers.

The meeting was held in the ladies' parlour and very interesting reports of the recent Presbyterial meeting in Hamilton were given by Mesdames B. Snyder and Jas. Theat.

Mrs. Burgess dealt with the chapter of the study book very ably.

Following the meeting the ladies retired to Trinity Hall where a Valentine Tea was dispensed by Mrs. Albert Marsh and Mrs. Aikens, assisted by a committee of ladies.

A short program was much en- joyed at the tea hour to which Mrs. Laie Farrell and Mrs. Hutchison contributed a pleasing duet. Miss Beryl Chivers, pupil of Mrs. Bolton, gave a reading in her usual capable manner and Miss Carrie Durham rendered an enjoyable solo.

Mrs. H. J. Clarry was the very capable convenor for this delight- ful event.

NEWS OF THE DISTRICT

GRASSIE

Mr. G. Shivas of Grimsby, gave a very interesting Gospel message at the church last Sunday after- noon. There was a fair attendance in spite of the inclement weather. Don't forget the services next Sun- day at 3 p.m. Sunday School at 2 p.m. All are welcome.

Mrs. H. Stirling was hostess to the Grassie W. I. last Thursday after- noon. The programme was de- voted to the study of Canadian In- dustries.

Mrs. Missie Merritt, Hamilton, has been spending a few days with relatives here.

Clifford Walker and Claire Hy- sert are enjoying a motor trip to Northern Ontario.

Mr. Wm. Olmstead of Bismark is spending a few days here renew- ing old acquaintances.

Mr. and Mrs. F. Black and son Stanley spent Sunday evening with Mr. and Mrs. G. Shivas, at Grims- by.

A very enjoyable St. Valentine's party was held at the school on Monday afternoon. Music, games, readings, etc., made a very inter- esting program, supplied by the pupils after which a dainty lunch was served by the teacher, Miss D. Comfort, assisted by the pupils.

GRIMSBY CENTRE

Mr. M. Fritshaw from Tisdale, Sask., visited his brother-in-law, Mr. C. Book, last week. He will be remembered by old timers as the school teacher here some 34 years ago.

Messrs. G. Douglas, G. Marlow and T. Mackie called on Mr. and Mrs. C. Book last week, also Mr. and Mrs. Cecil Book from Grimsby and Mr. Melvin Southward from Tillsonburg.

A Valentine party was held at the school last Friday afternoon by the Junior Red Cross.

The milk producers of the Model Dairy held an oyster supper at the home of Mr. Robt. Beamer last Wednesday. A pleasant evening was spent with card games and music.

Mr. Robt. Beamer now has the benefits of Hydro.

Mrs. F. D. Bacon visited her mother, Mrs. Macdonald of Tor- onto last weekend.

Ireland appears to have been the mother of croquet. A London ivory turner has produced evidence from the books of his firm that the firm was making croquet sets for ex- port solely to Ireland as far back as 1837. In the annals of the Lon- dale family it has been discovered that it was the Irish Miss Mac- Naughton who taught Lord Lon- dale's sporting family the game in 1850. And it was the Londale family who popularized it on the English lawns of that period. What seems uncertain is whether the Irish invet the game or merely took it over from the Restoration game of "Paille Maille," after which street Fall Mail is supposed to have been named.

ALDRESHOT FERTILIZERS

ANY MIXTURE ANY MATERIAL

COBBLER POTATO mixture same as last year. Best in every competition.

DAIRY, STOCK, GRAIN Farms—Start to use some mineral fertilizer this season. Insure the future of your farm and crops.

will be paid by the mfgs. of LLOYD'S THYMOLATED CORN SALVE for any corn or callous. THEY cannot remove with this wonderful new scientific preparation for CORN OR CALLOUSES. It de-sensitizes and relieves pain with first application. For sale at 40c at Dymond's Drug Store, Grimsby.

Tomatoes will tell

THE TYPE of tomatoe that brings the highest price is all-over deep red in color and full-fleshed in body. To get full money returns from the crop it must ripen evenly and completely.

Are you getting these results? If not, we suggest you look to your soil. Slow, uneven ripening, green cored, watery-bodied tomatoes result from insufficient available potash in your soil. When your crop grades low you miss the cash returns you should be getting.

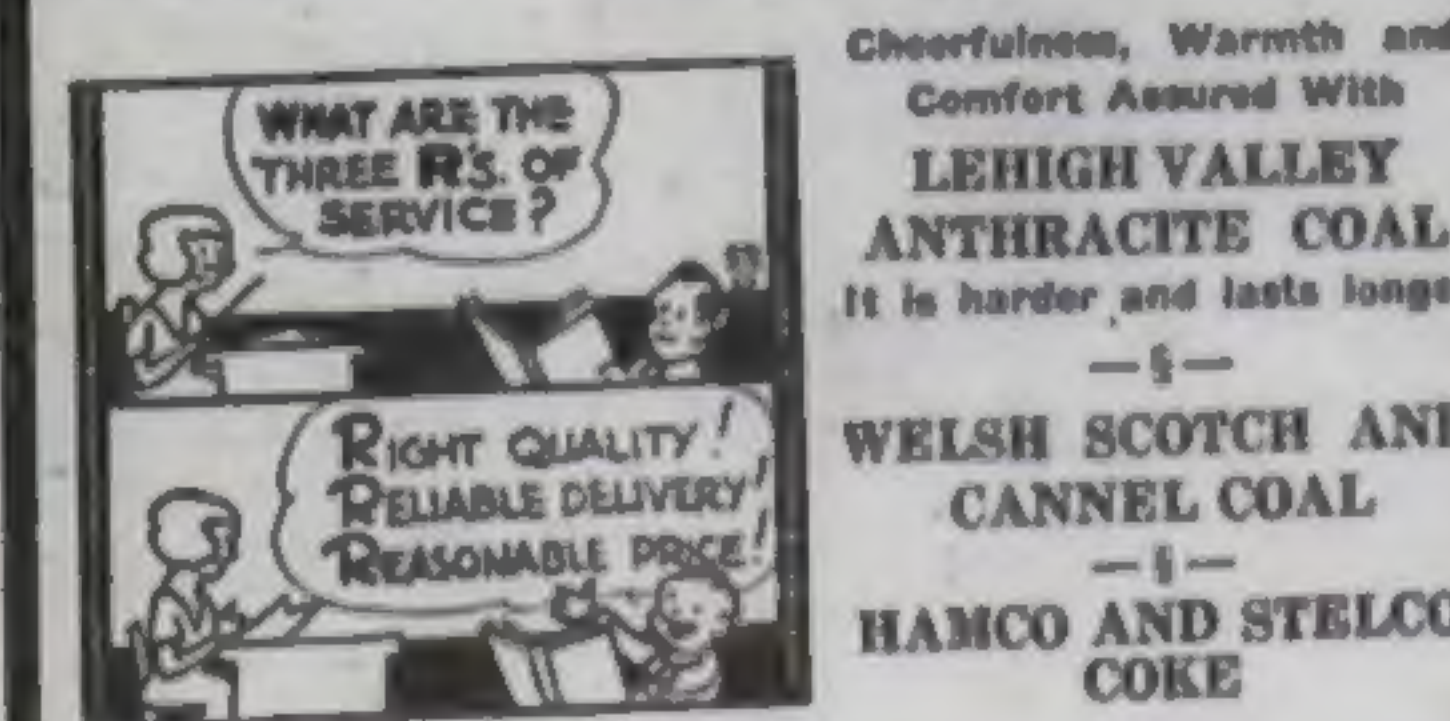

Potash in fertilizer puts the money in the tomato crop. It finishes the growth and ripening as it should be. You can reduce unripe wastage.

FERTILIZE for FINISH Study your soil with the help of your nearest Agricultural College Experiment Station or Agricultural Representative. Ask them for free soil test, and then write your Department of Agriculture for official fertilizer recommendation.

St. Kitts vs. Peach Kings in Play-off Here Friday Night

MANAGEMENTS OF JUVENILES RETALIATE ON F. & S. LEAGUE

Action of Mr. Brewster and Company in Suspending Teams Who May Engage in Exhibition Games in Grimsby, Causes Local Clubs to Ban Further Competition Against F. & S. League Members.

It's a long road that has no turning. Because the management of the Peach Pits and Independents chose to withdraw from the Hamilton F. & S. League rather than "pay the shot both ways," the league executive suspended the Grimsby teams, and also gave notice to their own teams as follows:

"The executive of the F. & S. Hockey league wishes to warn all teams that the players and management of the Grimsby Independents and the Grimsby Peach Pits are still under suspension by this league, and that any of the F. & S. teams playing against these teams will also be liable for suspension."

"The game between Grimsby Independents and Duke juveniles has been cancelled owing to the suspension of the Grimsby club. If this game is played, every player on the Dukes will be suspended by the F. & S. league and will not be allowed to play in the league again."

During the month of December, several of the F. & S. league teams were accommodated with exhibition games here at no expense to these clubs, and certainly they will all want to come again next season. But, on account of the action of Mr. Brewster, who appears to be the "dictator" of the league policy, the local management will refuse to engage in further competition with any of these clubs.

Experience has shown that the arrangement existing in the management of this league is not desired by local teams, both in the matter of playing conditions and also in the financial set-up of the organization.

Not only have the local clubs

JOLIAT PLAYS HIS 700TH N. H. L. GAME

Grand little veteran of an era fast fading, Aurel Joliat, whose pale, placid features camouflage the power and courage jammed within his 135-pound frame went into battle on Thursday night last with his beloved Canadiens for his 700th N.H.L. game. The league's steel mite, the lightest player in the circuit, has won for himself the title of the oldest campaigner. No one else has come within hailing distance of the 700-game mark. It was 15 years ago last November that Joliat joined the Canadiens in Grimsby, for his try-out and he made good right from the start.

saved some fifty dollars in expenditures, but there has been no "rowdiness" displayed by visiting teams such as was seen on one or two occasions when teams from the F. & S. League appeared here.

The players on both local teams have secured much more experience in competition with such teams as Thorold, Port Dover, Milton, Burlington, Niagara Falls and Waterloo, and are now prepared to enter the playoffs of the Ontario Juvenile Hockey Association, which will begin some time next week.

VINELAND LEADING IN O.R.H.A. GROUP

In Niagara Peninsula group, Ontario Rural Hockey Association, games at Grimsby Arena on Saturday night Vineland and Grimsby Beach deadlocked at 3 to 3, while Crescent Beach won from Smithville, 8 to 2.

With but two more games for each team remaining, Vineland leads with 14 points, and Crescent Beach is a close second with 13 points. Grimsby Beach, with 9 points, has little chance of reaching the playoffs. Smithville, with only 4 points, is definitely out.

Juvenile Games Showed Plenty of Hockey Ability

Peach Pits Win, While Independents Win and Lose in Tuesday Night's Games.

Three outside teams showed up at the arena on Tuesday night for games with the local juveniles, an error in dates being made when Fort Erie, who failed to appear the week previous, came along this week. An agreement was reached whereby Fort Erie, Niagara Falls and the Independents each played two periods, the results being as follows:

Independents 3—Fort Erie 0
The first period between the above clubs showed a superiority in favor of the local boys, with Winters, Bernardo and Reid each scoring one goal. The pace was fast, but the combination play of the Independents resulted in all three goals.

Niagara Falls 3—Fort Erie 0
In the second period, the two visiting teams hooked up against each other, and the Niagara Falls boys showed that they must be given consideration when the play-downs begin in the O.J.H.A. The "Hermies" as they are known, are a pick of four teams in the Falls, and played real smart hockey.

Niagara Falls 2—Independents 0
After being idle between the first and third periods the Independents failed to click in this game, and were away below form. However, the Hermies outscored the local boys and deserved their win. Five penalties in this period to the "Indies" also helped to result in their downfall.

Peach Pits 3—Waterloo 2
This game, which went the full hour, was the best juvenile game played in Grimsby this year. The Waterloo "Slakers" proved every bit as good as advance notices claimed of them. They are big boys, have speed and passing ability, and play clean hockey. Teams of this calibre are the cream that will be engaging in the finals of the Ontario Juvenile Hockey Association.

Waterloo scored first, but Pice evened the count for the Pits before the close of the first period. At the beginning of play in the second period, the Slakers again took the lead, and looked to be the better team at this stage. However, the game was tied up again, when Taylor drew out the Waterloo goalie, and slipped the puck in the open net.

The local boys went to the front early in the third period when Markey scored on a pass from Taylor. Although the Pits retained this lead to the end of the game the Slakers offered a bombardment during the last five minutes seldom seen at the local arena.

The local lineups:
Independents—Goal, Farrell; defense, W. Hills and Ferris; centre, N. Warner; wings, Craig and Winters; Subs., Reid, Duffield, Neal K. Warner, Bernardo and H. Hills.
Peach Pits—Goal, Shenker; defense, Rooker and Mason; centre, Blanchard; wings, Dick and Cam; Subs., Pice, Taylor, Sefly, Markey, Wilcox and Bidnell.

"Mush" Miller, centre player and sub-goalie of The Independents, is out of the game for the season. He had only nicely recovered from a broken bone in the wrist, when he got in a body checking duel with Saunders of the Peach Kings at the arena on Saturday night and re-broke the bone.

BRUIN PIVOT SPORTS SPECIAL HEAD-GEAR

Milton Schmidt, centre of the Boston Bruins hockey "kid line" wears this specially designed device to protect his jaw, broken in a game several months ago. The dog is the team's mascot. (What, have the burly Bruins sunk to this?)

LOW SCORES FEATURE B. & D. LEAGUE GAMES

Low scores featured Beamsville and District League games at Grimsby Arena on Saturday afternoon. In the four-game event the scores were:

Beamsville	1	Silverdale	0
Campden	2	Fairview	1
Jordan	3	Chuck's W.	1
Lower Thirty	4	Vineland	0

As a result of these games, Jordan retains top rung in the ladder, while Beamsville advanced to second place, leaving Vineland and Chuck's Wonders (Grimsby Beach) deadlocked in third, and Lower Thirty but one point behind. With but two more games to play, Silverdale, Campden and Fairview trail behind with diminishing chances of a playoff berth.

The upset of the day was the 4-0 whitewashing handed Vineland by Lower Thirty. Johnson netted two in the first period, with Reid and Konkle counting in the second.

In the Campden-Fairview tussle, Doucette scored for Campden in the opener and Standley in the second canto. Dale tallied Fairview's lone goal in the opener.

Silverdale and Beamsville staged the hardest-fought game of the day, J. Wilcox bulging the twice in the middle frame for the lone goal which gave Beamsville a win.

The league-leading Jordanites had little trouble in topping Chuck's Wonders 3-1. In the first canto Fretz counted for the Wine-men, with Cosby equalizing for the Wonders in the second. Fretz and Corbett added a pair for Jordan in the third.

KINGS REMAIN IN RUNNING WHEN INCOS DEFEAT MOUNTS

Game Was a "Honey" With Incos Scoring Twice in Last Five Minutes — Macs and Kings Series Will be Best Two Out of Three Games — Second Game at The Falls.

That fragile one-point peg that the Peach Kings have been hanging to for the last week, in order to keep in the play-offs, for the Big 5 group, hung out to the last, and thanks to Port Colborne Incos, the Kings go back into battle on Friday night in the first game of the play-downs.

It is now a matter of the Kings and Macs to settle the group honors and the team that comes out on top will go far in the O.H.A. play-offs. These two teams will cross sticks at Geo. Marr's ice palace on Friday night and you can lay-to-it that it will be a struggle to the last bell.

The play-offs are best two out of three games and the second game in all probability will be played in Niagara Falls on Wednesday night.

Thorold Mounties gave the Incos a merry battle on Monday night and had they won, the Kings would have been out of the picture. The game, according to local followers who witnessed it, was a sweet one to watch and was anybody's game right up to the finish. The teams saw-sawed back and forth on the score sheet through all the first period and into the middle of the second frame where they deadlocked at 3-3 and thus the score remained until the final five minutes when Incos broke loose and scored two fast goals to give them the game and solidify the Kings in the play-off spot.

That the team that wins this Fruit Belt group is the team that is always in contention in the finals in the O. H. A. Intermediate series, is borne out by the record of the past four years, when the group

winner went right through to the top. Thorold, if you remember was the team that put up such a game fight against the Belleville Redmen for the Robertson silverware last year, only to be beaten out in the last game by the clever work of Speedy St. Louis and Barriage, now Mounties but then members of the Belleville team.

TRAIN TRAVELS 1,000 TIMES 'ROUND EARTH

In the 37 years The International Limited has been operating between Montreal, Toronto and Chicago, it has traversed more than 1,000 times the distance around the earth at the equator and has carried approximately 3,000,000 passengers, according to an official of the Canadian National Railways.

The International Limited, began service on June 24, 1900. At that time, it covered the distance between Montreal and Chicago in 25 hours and took seven hours and 25 minutes to reach Toronto. A few years before, Toronto was 12 hours distant from Montreal. Following substantial improvements to the roadbed, track and rolling stock, including the provision of faster locomotives, when the Grand Trunk was merged with the Canadian National Railways, the schedule was cut to six hours between Montreal and Toronto.

SPORTLAND SPORTLIGHT IF IT'S A BOQUET OR A BRICKBAT THAT'S COMING TO YOU — YOU'LL GET IT

By J. ORLON "BONES" LIVINGSTON, Independent Sportologist

AMERKS ARE REAL ORPHANS Hockey writers dubbed them orphans when New York Americans woke up one morning to find themselves without an owner, but even if old man finance had been kinder, they would still qualify for the nickname. . . . Of the crew gathered by Mervin (Red) Dutton, a great hockey player himself a few years back, only one player has come up all the way under the American banner. The other 16 were all once owned by other National league clubs. . . . Sweeney Schriner, who picked Dutton as his hockey hero when a gangling kid in Calgary, is the lone star who has done all his big-time gunning with the Star Shirts. It's doubtful if Red, who also comes from Alberta's foothills, would sell Schriner at any price—he's topped the league's scorers for the last two seasons. . . . It will be history if his dreams come true, but Dutton figures his Amerks, controlled by the league governors since Bill Dwyer got into financial trouble a couple of seasons ago, will win the Stanley cup for the first time. . . . "Our first aim is to win the International section title," said Red, "and I don't think it will be long before we pass Toronto Maple Leafs. We have the most experienced team in the league and in the playoffs that will mean plenty—our team won't blow up like some of the younger outfits will." . . . Earl Robertson, whom Amerks bought from Detroit Red Wings this campaign, is one of the best finds in the history of the N. H. L., in Dutton's opinion. "I rate him the best goalie in the league right now and he's getting better all the time," said Red, who used three netminders in a vain effort to get his club clicking last season. . . . Then there's Reginald (Hooley) Smith, classy centre picked up from Boston Bruins, and Red figures Smith the ace pest to rough, tough players in the hockey business. . . . Of the rest of the Amerk roster, from Rangers came Alfie Moore, Al Murray, Ching Johnson and Lorne Carr; Boston—Art Chapman, Neils Stewart, Joe Jerwa and Happy Emma; Detroit—Tommy Anderson, Johnny Gallagher and Eddie Wiseman; Toronto—Jack Shill and Happy Day; Montreal—Joe Lamb.

Thermogene will keep your FEET WARM all winter!

DON'T ever have cold feet again! Before you play hockey, or go skating, ski-ing, driving, or venture anywhere outdoors, slip into each of your shoes an insole made from Thermogene Medicated Wool. This scientifically-treated wool stimulates circulation, and insoles made from it (you can make them in a minute!) will keep your feet warm on the coldest day. There's enough Thermogene in each package to make several pairs of insoles—so obtain a supply today, and enjoy warm feet the winter long. W/1/38

THERMOGENE
MEDICATED COTTON WOOL
For head and chest colds, there's nothing better than THERMOGENE MEDICATED RUB . . . the rub with the penetrating Lincoln balm.

Bowling

PEACH KINGS LOSE

A quartette of bowlers known as the Peach Kings visited the First United green, Hamilton, Friday night, and from the drop of the first bowl they were out to take the measure of the city unit, and did give them a great battle. The score at the eight ends of play was 5-11. For the balance of the game the Uniteds held a slight edge and finished six points to the good. Each skip scored nine of the eighteen ends played. The rinks and score:

First United	Peach Kings
W. Hoyle	T. Miller
I. E. Rouse	C. Rahn
M. Burton	A. Altou
R. Hamilton	E. D. Anderson

Brevities

Vernon Tuck of Grimsby attended a meeting of the Niagara Frontier Society of Optometrists, in Niagara Falls, on Thursday evening last, when the members present listened to an interesting address by N. J. Penwarden of Welland, on the difficult ocular cases and their treatment.

H. St. Clare Fisher, of Niagara Falls, Ont., has applied to the Canadian Broadcasting Commission for permission to erect a complete radio broadcasting station at Niagara Falls. Mr. Fisher has outlined to the Commission the advisability of establishing a station for tourist advertising purposes.

Police Chief M. D. Thibault has been instructed by city council at Niagara Falls to clear the slot machines out of the community. The council repealed a licensing bylaw which had been passed in 1937. One alderman threatened to oppose passing of the police estimates until the machines were removed from the city.

3 Months' Short Course Banquet

Thursday evening, February 24th, commencing at 6:45 p.m. the closing exercises of the special courses in Agriculture and Home Economics under the auspices of the Ontario Department of Agriculture will be held in the auditorium of the High School, Grimsby.

Mr. Russell T. Kelly, of the Advertising Agency, Hamilton, and Mrs. A. E. Walker, former President of the W. I. for Ontario, will be the guest speakers at the gathering which will take the form of a banquet with a toast list, special music provided by Donald Neff's orchestra of St. Catharines, choruses by the members of the classes, a Ukrainian Dance by one of the members of the girls class and the presentation of prizes, and certificates by the instructors and instructresses to those who have qualified.

A splendid attendance is expected and the tickets which are 50c each may be secured from the members of the classes or from those in charge, E. F. Neff, H. V. Binkley, H. Hartley, Miss J. L. McDermid or Miss M. Fulton. The latter three may be contacted at phones 108 or 443M, Grimsby.

SET OF PLANS

(Continued from page 1)

green temperature in winter. Estimated cost of this work as made by Mr. Grassie on November 24th, 1936, was \$10,050.

The present plant would not be changed or interfered with, under these plans. All improvements would be absolutely new additions and would cover about an eighth of an acre of land. The present plant would still be used. The new additions would be built on high ground. No water can get in from outside.

Mayor — Remember you cannot empty raw sewage into the creek. You might not be stopped in cold weather, but if you have an epidemic of typhoid or other disease you would mighty soon be stopped and then your whole plant would be closed up.

Councillor Chivers — Dr. MacMillan went to Port Colborne with us. He has never seen these plans.

Mayor — That is just what I am going at. Why didn't Dr. MacMillan see the plans.

Councillor Laing — Those plans do not take care of the canning factory or the distillery, I see. They would still have to treat their own sewage.

Reeve MacPherson — The way I look at this thing is, that this question has been bandied about and the "back passed" for years. The people in that part of the town must be given protection. I do not want to spend any money until I know we are going to get something that is absolutely right. I believe the Port Colborne plant as I saw it is one that will handle our situation.

Hull — I do not want to accept those Port Colborne plans as the proper ones for us. I do not say they are not right, but I think we better get plans from Dr. Berry before we take any definite action.

Lothian — I would like to have Mr. Grassie meet the council and explain the plans to us himself as he could give us a very clear explanation. The local Board of Health were at Port Colborne with us and knew about the plans and estimates. Why didn't they take some action as they certainly knew the condition of affairs.

Lewis — Oakville has the same type of plant that we have and they never have any trouble with it. I believe our plant is too low.

LATE SPORTS

Independents Win At Milton

Defeated Legion Boys Last Night by The Score of 5 to 4 — Fast Game

What some of the fans at the Milton arena last night termed as the best hockey game played there this winter, including junior and intermediate O. H. A., resulted in a win for the Grimsby boys by the score of 5 to 4.

I was fast all the way with Milton saving a slight edge in the first two periods, the score at the end of the second being 4 to 2 in favor of the Legion boys.

In the third period, the Independents really struck their stride netting three goals and holding Milton scoreless. Johnny Farrell in goal played stellar hockey in this period. The goal getters for Grimsby were Winters, Bernardo, Craig, Duffield and Reid.

Winters and Neal received cuts above the eye in the game and Bernardo had a wrenched knee.

Independents lineup: goal, Farrell; defence, W. Hillis and Bernardo; centre, N. Warner; wings, Winters and Craig; subs, Reid, Duffield, Neal, K. Warner and H. Hillis.

Basketball

Grimsby high school basketball teams made a clean sweep Tuesday night when they won all three games from Beamsville high and vocational. The scores were: Junior girls—Grimsby, 35; Beamsville, 14. Junior boys—Grimsby, 34; Beamsville, 14. Senior boys—Grimsby, 30; Beamsville, 18.

Grimsby lineup: Junior boys—Faulkner 4, Burgess 10, Etherington 9, Berry 9, Metcalfe 2, Brocklebank, Merritt, Total, 34.

Junior girls—B. Metcalfe 14, N. Pope 3, C. Wilson 15, P. Ferris 1, P. Moss, B. Smith, J. Pettit, E. Theal, A. Andrychuk, K. Metcalfe, Total, 35.

Senior boys—Eason 2, McNiven 14, Smith 7, Foster 14, Burgess 2, Pettit, Carleton, Aldrick, Etherington, Total 39.

Sport Squibs

Frank Carroll coach of the St. Kitts Macs is confined to St. Michaels hospital, Toronto, with a heart condition. Macs will miss their mentor when they take the ice against Kings on Friday night.

Broux Tigers in the United States Eastern Amateur League, have folded up for the season. The team never got clicking right and as a consequence the turnstiles did not click. In 42 games played out of a 64 game schedule they only won six games. "Hawes" Marsh, Grimsby goalie with the outfit has been taken over by the tail end Baltimore Orioles team.

BUILD INCINERATOR

(Continued from page 1)

and garbage. Also that they had placed logs and timbers along the base of the lake bank and were filling in behind it with rubbish, in order to stop the erosion of the land by the lake waters. Councillor Mitchell advised them to ask the Dominion government to construct a breakwall at this point for the protection of the land.

Reeve Durham informed the deputations that it would be impossible to lower Beach water rates at present, as they had just received a two cent increase from the town water commission.

Clerk Allan stated that nothing had been heard from the Ontario Department of Highways, re the 30 mile an hour speed limit bylaw that had been passed last summer and forwarded to the Department for approval.

LAKE LEVELS LOW

Levels of Lake Ontario and Lake Erie were lower in December than at that time last year, figures released recently by the mines and resources department show. Lake Erie was four inches lower than November, 7 1/2 inches higher than December, 1936, and 16 1/2 inches lower than the average for the past 77 years. Lake Ontario was 2 1/2 inches lower than November, 13 1/2 inches higher than December, 1936, and eight inches lower than the average for the past 77 years.

Obituary

Charles Martin Bivand

After a long illness, the death occurred Friday morning of Charles Martin Bivand at his home, Station road, Winona. He was born in London, England, on August 2, 1884, and came to Canada 30 years ago. For the last 25 years he had made his residence in Winona, and was well known as a painter and decorator. Mr. Bivand served overseas during the Great War. In religion he was an Anglican, attending St. John's church, Winona. Left to mourn are his wife, two sons, Frederick and Herbert at home, and two daughters, Mrs. Harry Allan, Hamilton, and Miss Beatrice Bivand, at home; also three sisters in England. Three of Mr. Bivand's brothers paid the supreme sacrifice during the Great War. The funeral was held from his home on Sunday afternoon at 3 o'clock, and interment took place in the Fifty cemetery, Winona. Rev. E. Brillinger officiated. Pallbearers were: H. Townsley, T. Collins, R. Cummings, W. F. Dale, J. D. Lament and G. Lewis.

In Memoriam

In loving memory of my dear daughter, Mary Meikle, who passed away one year ago, February 14. Gone but not forgotten, by mother.

BARTLETT—In memory of Mr. Wm. A. Bartlett who passed away at his home February 14, 1932.

God saw the road was getting rough
And the hills were hard to climb
So he closed your weary eyelids
And whispered "Peace be thine".
Loving and kind in all his ways
Upright and just to the end of his days
Sincere and kind in heart and mind
What a beautiful memory he left behind.

Lovingly remembered by his daughter Gladys and grandchildren Nadine and George.

NEW BAND OFFICERS FOR ENSUING YEAR

At the regular weekly meeting of Grimsby band on Wednesday night, the officers for the ensuing year were elected as follows: Hon. President, Mayor E. H. Johnson; President, Frank Durham; 1st Vice, Clarence Merritt; 2nd Vice, George Jennings; Sec.-Treas, Leslie Hill; Asst.-Sec., John Ryans; Librarian, Gordon Lipat; Asst.-Lib., Murray Timms; Property, Art. Richardson; Press, James Baker; Bandmaster, F. H. Timms.

At a date to be set the band will give a half hour broadcast over CKTB, St. Catharines and will also hold a grand skating party at the arena as soon as they are able to secure ice accommodation.

MORTGAGE SALE

UNDER AND BY VIRTUE of the Powers of Sale contained in a certain mortgage which will be produced at the time of sale, there will be offered for sale by

On the said farm there is said to be erected a dwelling house with suitable farm buildings.

The lands will be sold subject to a reserve bid.

TERMS OF SALE OF LAND: 25 per cent. of the purchase money to be paid down at the time of sale and the balance to be secured by a mortgage with interest at four per cent. per annum.

TERMS OF SALE OF CHATTELS: Cash.

For further particulars and conditions of sale apply to:

W. ERIC STEWART, K.C.,
East Block, Parliament Bldg.,
Toronto, Ontario.
Solicitor to the Mortgagee.
DATED at Toronto, this First day of February, 1938.

COMING EVENTS

The Grimsby Short Course girls will hold an exhibition of their work on Tuesday, February 22nd, from 2:30 to 4 o'clock at the Public School Domestic Science room. A cup of tea will be served and a cordial invitation is extended to everyone to attend.

Grimsby Branch of the Women's Institute meets on Tuesday afternoon, the 22nd, at the home of Mrs. E. Erb, 11 Maple Avenue. Mrs. F. D. Albena, Convener of Education and Legislation, will speak. Members will bring their sewing tackle and a spool of size 36 white thread. Mrs. Lothian, Leader of the Glove-Making Class, will report progress. Those on the Social Committee are Mrs. W. Groce, Mrs. Bolton, Mrs. Butherford.

Professor Guy Deirick, of Columbus, Ohio, former Chautauqua lecturer, who is at present touring Ontario, will give a sensational story on "The Romance of History" in the auditorium of Grimsby High School, on Friday afternoon, at 2:30. Everybody welcome.
